Subject: application by Atmos Totnes

Dear friends and neighbours and councillors in Totnes

We write to support the application by Atmos Totnes to be included in the Neighbourhood Plan.

The group putting this forward have put in a great deal of work , and community consultation, about this project.

We believe it to be capable of being a huge asset to the community: meeting needs for meeting places, offices, workspaces.

It is likely to become a hub buzzing with activity that meets local needs. A wonderful opportunity not to be missed!

Yours sincerely
