Subject: Kingsbridge, West Alvington and Churchstow Neighbourhood Plan: Regulation 16 Consultation

FAO Duncan Smith

Dear Duncan

Thank you for your Regulation 16 consultation on the Submitted version of the Kingsbridge, West Alvington and Churchstow Neighbourhood Plan.

Correspondence on the previous Regulation 14 consultation and associated SEA Screening exercises had addressed most of the issues we had raised on the Plan. The one remaining issue concerned suitable provision within policy BE1 for the protection of relevant heritage assets associated with sites the Plan proposes for development.

I can now confirm that the Plan makes suitable provision within that policy, and there are therefore no outstanding issues associated with the Plan upon which we wish to comment.

Kind regards

David
