Subject: South Milton Neighbourhood Development Plan - Regulation 16 Consultation - Formal Response

Dear Sir / Madame,

Thank you for your email inviting us to comment on the Regulation 16 Consultation to your amendments to the "made" South Milton Neighbourhood Development Plan.

We noted at the Regulation 14 consultation stage that the proposed amendments, set out in your briefing documents, wholly relate to changes to housing policy regarding second homes. As such, this is unlikely to alter the situation with respect to impact on heritage assets. Therefore, we have no further comments to make on the proposed amendments to the made plan.

We wish the Neighbourhood Plan Steering Group well with achieving another made plan.

Kind Regards,

Alan
