Subject: Re: Totnes Town Plan Atmos Inclusion

Hello,

I'm writing to express my support for the inclusion of the Atmos proposal in the neighbourhood plan.

The proposed site development by TCDS was a result of years of work with the community and I believe represents the majority of our community's wishes for a diverse, sustainable, inclusive and exciting site development.

This is such an important opportunity for this town - and something we should and can have ownership of locally.

Regards
