Hello Totnes town council

Please support the Atmos project by adding it to the local plans.  
It's an incredible project and a beautiful vision. It warms my heart to think that this may be possible, it would be an incredible asset to Totnes and the surrounding community. It would make Totnes a vision of what's possible to the rest of the UK. Arts, theatre, geniunly affordable homes, plus workspaces.  
Please support it.

All the best
