Subject: Neighbourhood Plan – Atmos

Hello,

I'm writing to express my strong support for Atmos Totnes to be the preferred option for the former Dairy Crest site in the Neighbourhood Plan.

I live near Totnes, work in Dartington and support community initiatives around the town, from Share Shed to Pondfield. I believe that enabling Atmos to deliver their vision for the site as originally planned would be transformative for the town - especially given our current housing emergency.

Thank you,

Rebecca
