Subject: Atmos consultation - letter of support  
To: Totnes Town Council Clerk

To whom it may concern,

I would like to express my support for the amendment proposed by the Town Council, for the Neighbourhood plan re the old Dairy Crest site.development.

The proposed amendment, would ensure that the community consultation, which produced democratically agreed proposals for the redevelopment of the site could be implemented.

The proposals were agreed through a statutory process, including a community vote which produced a substantial majority.

Yours  
Tony Whitty  
Former Town Councillor and Mayor.
