Subject: Neighbourhood plan

Hi, my name is Graham Walker. I believe that for the last 22 years I have made a (albeit small) positive contribution to the Totnes Community. On a different scale, I believe the Atmos Project has the potential to make a huge positive impact on/contribution to the Totnes community. And not just for a few years, but for generations to come. I sincerely hope that the Atmos project is included in the Totnes Neighbourhood plan. Thankyou.
