Dear Sir/Madam

I am writing to express my strong support for the inclusion of Atmos Totnes in the Neighbourhood Plan. Having instigated this project back in 2007, and see the way the community has come together to shape a vision, turn it into detailed plans, and use new powers to gain planning permission via referendum, this seems to be to be one of the most important development projects not just for Totnes but for the whole of the UK.

I look forward to seeing the upcoming plan with Atmos Totnes at its heart!

Best regards

Nigel
