- will not breach, and is otherwise compatible with European Union obligations;
- is not likely to have significant effect on a European designated site or a European Offshore Marine site either alone or in combination with other plans or projects;
- taken as a whole has regard to national policies and advice contained in guidance issued by the Secretary of state and would contribute to the achievement of sustainable development;
- is in general conformity with the strategic policies contained in the Development Plan for the area;
- meets the Basic Conditions; and
- has undergone consultation in accordance with the requirements of the Regulations.

The Council also agreed with the Examiner's recommendation that the referendum of the Neighbourhood Plan should be based on the designated Neighbourhood Area approved by the Council on 5th June 2014.
