Subject: Support for Atmos

Dear Totnes Town Council,

I am writing to express my support for the Atmos project, and hopes that it will be included in the new neighbourhood plan. As long term residents and business owners in Totnes, we are so grateful to have this opportunity to have such an innovative, community orientated project proposed for our town. The town council have made massive progress in supporting the arts, and the Atmos project will give us both community spaces and affordable homes that we so desperately need and help us on the road to becoming a truly eco minded town and help make us a centre for the arts again. Totnes has so much to offer, and the Atmos project encapsulates a spirit that is so vital in the current times.

Yours sincerely,

Emma George
