Duncan,

I object to the Bowling Green and Manor Gardens being designated Green Spaces.

Regards,

Hilary.

Hi Chris

I note Manor Gardens and the Bowling Green are still included in the green spaces – do we need to object?

See pp.44-45. If they are not already declared as green spaces or POS under SHDC designations, I personally would object to being constrained by a neighbourhood plan. I have no objection to Jawbones being designated because of where it is.

Let me know

Thanks

Judy
