Highways England's comments

Dear Frogmore and Sherford Neighbourhood Plan Steering Group,

Thank you for providing Highways England with the opportunity to comment on the submission draft of the Frogmore and Sherford Neighbourhood Plan. We are responsible for operating, maintaining and improving the strategic road network (SRN) which in this case comprises the A38 which passes some distance to the west of the Plan area. We previously provided comments on the pre-submission draft in February 2020.

Following a review of the submission draft we remain satisfied that the proposed policies within the Plan are unlikely to result in development which will adversely impact the SRN and we therefore have no specific comments to make. These comments do not however prejudice any future responses Highways England may make on site specific applications as they come forward through the planning process, and which will be considered by us on their merits under the prevailing policy at the time.

Regards,

Chrystèle Garnier-Kusiak
