Subject: RE: AMENDMENT C12

Dear Town Council

As a resident of Totnes for over a quarter of a century and an avid believer in the Atmos project, I am writing to lodge my full support for the Amendment C12 being placed within the town plan.

Just because someone has come in under the radar and, through insider knowledge, prevented the town from acquiring the site, it should not mean that that person can do what they like with it. It is of immense importance to the town that the site still delivers on the Atmos vision. If so, it will make Totnes a healthier and more equitable place to live and provide much needed cultural facilities and affordable rental housing.

Please do your best to incorporate C12.

With best regards
