Dear Sir/Madam

Ringmore Neighbourhood Plan – Regulation 16 consultation

The inclusion of a statement about public rights of way on page 41 of the revised plan is welcomed. As well as the printed map references, it would be helpful to include reference to the interactive public rights of way map available on www.devon.gov.uk/prow The wording could be revised to read “The South West **Coast** Path transverses the parish next to the sea and several other public and permissive paths give interesting walks in and around the area. A detailed map of these can be found on OS Map OL 20 or on DCC Map ED/PROW/02/54 **or on** www.devon.gov.uk/prow
