Subject: Totnes Neighbourhood Plan amendment C12 - Former Dairy Crest Site

Dear Totnes Town Council,

I write to support wholeheartedly the proposal to insert amendment C12 into the Totnes Neighbourhood Plan. It is my strong view that the Atmos (former Dairy Crest) site should be developed in accordance with the wishes of the community as expressed by an 86% majority in the 2016 referendum, which led to the making of the Community Right to Build Order.

Yours sincerely,

J.R.Wright
