Hello David

I am afraid I can give you very little feedback at this point. We had three questionnaires completed on Saturday and one has been returned to us through the post. We gave out a number of forms and envelopes on the day to go to people who might be interested and I left a number of forms and envelopes with Jim and with the lady who edits the Magpie newsletter. Hopefully we will get some further responses from people who did not attend the drop-in event for whatever reason.

My colleague Janice will be assessing the returned forms and also contacting people on Devon Home Choice with an Aveton Gifford post code to find out if they are looking for affordable housing in the village. She will wait for about a week before looking at returned forms to allow time for any other forms to be returned.

We will be in touch as soon as we have assessed the information returned to us.

Best wishes

Sue

Hi,

thank you both for your efforts the other day to conduct our housing survey. I understand the cake was good too! We would appreciate a little feedback for the group if you could manage it? I'm sure your full report is not ready yet, but just a few thoughts off the top of your head as to what it might contain would be useful?

We are having a Steering committee meeting to think things through at 10am tomorrow.(rushed because people going away) And then on Monday the 5th we will be presenting our preliminary ideas on site selection, to the Parish Council.

Thanks again

david
