

Dear Mr Hale

Following the Hearing for the Totnes Neighbourhood Development Plan on 6th September 2022 please can you forward, without prejudice to any decision I may make, to the parties invited to participate in the Hearing, namely Totnes Town Council (representing the Neighbourhood Plan Group), Fastglobe (as landowner) and South Hams District Council to ask if any or all of the parties either individually or working together intend to present me with a modified Policy C12 which they feel would meet the Basic Conditions and satisfy the concerns expressed at the Hearing. I have set a deadline of the 17th of October 2022 for receipt of any proposed modifications.

Please can this request be posted on the SHDC Neighbourhood Planning website along with any responses received.

Kind regards

Deborah
