Subject: Modification to Strete Neighbourhood Plan - Highways England Response

Dear Ralph,

Thank you for consulting Highways England on proposed modifications to the Strete Neighbourhood Plan.

We are satisfied that the amendment is unlikely to result in development which would adversely affect the SRN and therefore we have no comments to make. However, this does not prejudice any future responses Highways England may make on site specific applications as they come forward through the planning process, and which will be considered by us on their merits under the prevailing policy at the time.

Kind regards,

Sally
