

CONSULTATION STATEMENT
Proposed Modification to Neighbourhood Plan

June 2021

Strete Parish Council (SPC) proposes to modify the “Made” Strete Neighbourhood Plan. This modification relates solely to the Settlement Boundary of Policy SNP6: Development and the Settlement Boundary and the location of the Settlement Boundary near the Kings Arms car park in the Policy Map.

In the opinion of the Parish Council, this modification is necessary to correct an error in the made Plan but will not change the nature of the Neighbourhood Plan.

The modification is required as result of a map error by the Parish Council in the preparation of the Neighbourhood Plan. The Parish Council voted unanimously for the update process to commence at its meeting on 17 June 2021 and approved the changes at its meeting at the same time.

The Parish Council is consulting on the Modification Proposal, which will commence at 09:00 on Monday 5th July 2021 and MUST END at 12.00pm on Sunday 15th August 2021.
