Subject: Amendment to draft Neighbourhood Plan; Atmos

Dear Totnes Town Council

I strongly support the amendment to the Neighbourhood Plan for Totnes that would see the upholding of the referendum result under the Localism Act for plans for the former Dairy Crest site. This town said 'yes' to the comprehensive proposal and community consultation for a development managed by the Totnes Community Development Society. I have read the new amendment that will be submitted to South Hams District Council and request that SHDC adopt it.
