Subject: Consultation on a New Policy: C12 - Former Dairy Crest Site

Dear Totnes town council

I am email in support for Atmos for Totnes and the proposed new policy.

We feel that this proposal sits best with the needs of the community, with benefits for the health & well-being of the residents, the environment, the local economy and Totnes as a vibrant market town into the future – providing the grounding for an exemplar in forward thinking design and planning.

Best regards

Jamie Hunt
