Subject: Atmos Project

I am writing as a long-standing resident of Totnes, to express my strong and whole-hearted support for Atmos Totnes being included in the Neighbourhood Plan. This would be my strongly preferred option for the former Dairy Crest site. I voted for it in the referendum, and if anything, support it more strongly now. I feel as though this project would lift Totnes up, and be a flagship for other towns and cities.

Many thanks,
Harriet
