Subject: Neighbourhood Plan consultation

Dear Totnes Town Council,

As someone who has lived in this area for 24 years, and been active in many activities within the town of Totnes, I would like to ask you to include the Atmos Totnes in the Neighbourhood PAn. Atmos Totnes is a wonderful project and would make a huge difference to the vitality of the town.

I realise the deadline for consultation was yesterday but I am hoping that my comments are not too late to be added in, to the consultation process.

If you need more information about me : I live at Sunnyside, Bulkamore, Rattery, TQ10 9LQ.

Best wishes, and thanks for offering this for consultation.
Sue Milner.
